About us- Welcome to East, our college's training restaurant where every dish is prepared and served by talented Catering students gaining real-world experience. Your visit helps support their learning journey, so we kindly encourage your party to choose a variety of dishes—giving students the opportunity to practice service, preparation, and presentation skills.
To ensure our students can attend their other commitments, we ask guests to depart by 3:00 pm for lunch and 9:00 pm for evening service. Thank you for helping us create an exceptional training environment!
